Re: U.S. v. Kaauwai, Cr. No. 03-00248 DAE

Dear Ms. Tamashiro:

This is in reply to your letter of April 16, 2007.

It now appears to me that even though I sent voluminous discovery materials previously to Mr. Kaauwai's first attorney, William Domingo, some of the police reports and laboratory results were not included in those materials. Consequently, I am enclosing a new set of bates stamped materials which is a complete copy of the investigative report submitted to this office from ATF. They are bates stamped as SKDiscovery 1-270. I apologize for any confusion generated from the earlier incomplete set of materials.

Also, a copy of the defendant's tape recorded statement is enclosed herewith. Please note that his second statement showing his knowledge that there was a firearm in the backpack was not tape recorded.

Very truly yours,

EDWARD H. KUBO, JR.
